What KD 10,000 Could Deliver

**Same proven model.
More capital to deploy it.**

Applying our historical 1.63× inventory turn and
~40% gross margin to this raise:

**Illustrative projection based on historical 1.63× inventory turn. Not a guarantee. Full capital recovery targeted within 6 months of goods reaching market.*

Security & Investor Protections

Supplier Protections — Anifis Contract

Signed 3-Year Exclusive Contract

Albatros is the sole Insifa agent in Kuwait. Contract valid Oct 2025 – Oct 2028.

Late Delivery Penalty Clause

1% of goods value per week delayed; additional 10% forfeit if delay exceeds one month.

Defect & Shortage Guarantee

Anifis must replace or refund defective/missing goods within 20 calendar days of claim.

Investor Protections

Monthly Profit Distributions

Profits shared at the start of each month, beginning October 2026 when goods hit market.

6-Month Capital Recovery Target

Full KD 10,000 targeted to be returned to investors within 6 months of goods entering Kuwait market.

Client Payment Agreements

Currently relationship-based (up to 90-day terms for trusted repeat clients; some pay cash on delivery). With this raise, we're formalizing instalment terms with signed payment agreements / post-dated cheques for new and larger accounts to reduce collection risk as we scale.
